Personal data that we process

Krypton Consulting processes your personal data because you are our services and/or because you provide them to us.

The personal data that we process are:

- Name and surname
- Gender
- Company
- Function
- Address
- Phone number
- Email address
- Notes about contact moments

Special and/or sensitive personal data that we process

Our website and/or service does not intend to collect information about website visitors under 16 years of age. Unless they have permission from parents or guardian. However, We cannot check if a visitor is older than 16. We therefore recommend that parents be involved in the online activities of their children in

order to prevent the collection of information about children without parental consent. If you are convinced that without this permission we have collected personal data about a minor, please contact us via pranger@kcbv.com we will remove this information.

Goal and basis for the processing of personal data

Krypton Consulting processes your personal information for the following purposes:

- Payment processing
- Contact you as necessary to perform our services
- To deliver goods and services to you

Automated decision-making

Krypton Consulting does not take decisions on the basis of automated processing.

Retention time

Krypton Consulting does not keep your personal data any longer than is strictly necessary to achieve the goals for which your data is collected. We keep your contact details up to 5 years after a last contact.

Sharing of personal data with third parties

Krypton Consulting does not sell your data to third parties and will only provide them if necessary for the execution of our agreement with you, with your permission (for example, in the case of a reference), or to comply with a legal obligation with companies processing your data in our order. We will have a data processing agreement with third parties that process your personal data for us. Krypton Consulting remains responsible for these processing activities.

Cookies or similar techniques

Krypton Consulting does not use cookies or similar techniques.

View, modify, or delete data

You have the right to view, correct or delete your personal data. In addition, you have the right to revoke your consent to data processing or to object to the processing of your personal data by Krypton Consulting and you have the right to transfer data. This means that you can submit a request to us to send the personal data that we have from you in a computer file to you or another organization you mentioned.

You may send a request for inspection, correction, deletion, data transfer of your personal data or request for withdrawal of your consent or objection to the processing of your personal data to pranger@kcbv.com.

In order to ensure that the request for inspection has been made by you, we ask you to send a copy of your identity document with the request. Make in this copy your passport photo, MRZ (machine Readable Zone, the strip with numbers at the bottom of the passport), passport number and Citizen Service (BSN) black. This to protect your privacy. We respond as quickly as possible, but within four weeks, at your request.

Krypton Consulting would also like to point out that you have the possibility to lodge a complaint with the national Supervisor, the authority personal data. This can be through the following link:

<https://autoriteitpersoonsgegevens.nl/nl/contact-met-de-autoriteit-persoonsgegevens/tip-ons>.

How we protect personal information

Krypton Consulting takes the protection of your data seriously and takes appropriate measures to prevent misuse, loss, unauthorized access, unsolicited disclosure and unauthorized alteration. If you have the impression that your data is not properly protected or there are indications of abuse, please contact us at pranger@kcbv.com.

Krypton Consulting has taken the following measures to protect your personal information:

- Security software, such as a virus scanner and firewall, full disk encryption and use of a VPN connection.
- TLS (formerly SSL) Our website is accessible Via a secure Internet connection. You can see this in the Address bar 'Https' And the padlock in the address bar.
